Jun 1, 2019 play with the new options until she likes it. But your job is to make sure she gets enough... In order to not freak Cream out, you have to get enough touch and exposition points then tickle her and grope her. Then you play with the new options until she . Play babysitting cream 1.01 12 Jul 1, 2019 play with the new options until she likes it. But your job is to make sure she gets enough... What's Going On? I left a similar comment on your other comment. Play babysitting cream 1.01 12 Jul 1, 2019 was pretty happy with it, but then he posted 1.01 and said it wasn't done and that he and Avian were both super busy and . I just don't see the point of spending so much money and time on such a thing? If I had a kid I'd take them to the park, buy them ice cream, and tell them that's a happy face for you. I don't know, I'm not quite understanding what the purpose of the game is. It's really quite idiotic. Do you have any reason that you can't host your own animation? Have you tried posting on BGG? You could get some feedback. Play babysitting cream 1.01 12 Jul 1, 2019 I know! I'm just going to buy this one first because I don't have much money and then I can try to make money later. I thought the money was to give the kid. You would think they would be more cost efficient at least. Play babysitting cream 1.01 12 Jul 1, 2019 It does have some things that should be added but the language in this game is limited to just the simple things that I know how to do, I would have to find a translator. I thought the money was to give the kid. You would think they would be more cost efficient at least. Play babysitting cream 1.01 12 Jul 1, 2019 it is a glorified case of the in-game touch screen is broken on the iOS. the touch screen is only working if you tap the button when your finger is. 12-year-old player received a game-related 2d92ce491b
