Software Radius M1225

May 25, 2018 I bought a new laptop (desktop) a few months ago with the latest version of windows 10 and Windows 10 dosent have the software to program a m1225 radio and I have been looking for it and I cant find any places to download it this is also my first m1225 radio I bought it off ebay. I don't know much about programming m1225 radios and I really would like to learn how to program it please someone help me find it. Apr 27, 2017 First, I just finished installing an installation package for Motorola M1225. It came with the software, but didn't have a license agreement for me to accept. I searched the MS Store and was unable to find it there. I bought it on Ebay from a seller who had a verified Motorola Stock Number. He had a return policy, so I am assuming . Apr 20, 2017 Hello, i need the software for the radius 1225 i bought it on ebay as it was cheaper than their store can i get the software from ebay? I tried to get it from the software online as i can't find the software on their website it was for windows XP but i have windows 7 on my pc can i get the software to work on my pc? I have 2-Way and AIS added and i'm waiting for full service. I have a 10.01 version and it looks like i don't have any updates so i have no idea if they have release a new version May 15, 2016 I'm looking for software for a Radius m1225. I've downloaded the the correct version but can't get it to recognize my radio Mar 12, 2016 I have a reprogrammed M1225 and it functions well as far as programming. I purchased this radio off eBay and the seller said there was no software available for it. My Question is if it is possible to program on your computer via an internet connection and find . Download Radisson CTA 7.11.5. Jun 28, 2018 I am looking for a software to program my CTA 7.11.5 or Radius m1225. I do not have the original software to program this radio. Does anyone know where I can get it? Program a Radisson CTA 7.11.5 using this link. Radisson CTA 7.11.5 Hello, My Radisson was already programmed when I purchased it. How do I access the programming software or code to unlock it? Thank you. Hello, I am looking to convert a CTA 7.11.5 to software program. I found this site that says I need to buy a . . Hello, I am looking to convert a CTA 7.11.5 to software program. I found this site that says I need to buy a . . . . Program a CTA/Radisson m1225 with this serial cable. After programming, the CTA software immediately scanned and found new radios. The programming cable has: Xone, Xmag and Scew antenna connectors. . Program a CTA/Radisson m1225 with this serial cable. Now the CTA software immediately scanned and found new radios. The cable has: Xone, Xmag and Scew antenna connectors. . . . The cable, made by C.Z Cable, is Xmag-Scew-Xone, but it's also that of the Xmag-Scew-Xone (I think that's what it should be). The antenna in the box has a yellow/red version of the Xmag-Scew-Xone shield. . . . . Program a CTA/Radisson m1225 with this serial cable. The cable, made by C.Z Cable, is Xmag-Scew-Xone, but it's also that of the Xmag-Scew-Xone (I think that's what it should be). The antenna in the box has a yellow/red version of the Xmag-Scew-Xone shield. . . . . I did some research on installing software to a m1225 and have run into some issues. It seems like there's only a small number of spare software options that are compatible with 570a42141b
