The following snippet will hide the entire 'div.body' element: \*div.body{display:none} \* The 'div' tag is like a 'div.header' tag with respect to a 'div.body' tag. The following snippet will hide the entire 'div.body' element, but leave the 'div' tag visible: \*div.body{display:none} \* The 'div.header' and 'div.body' tags can be placed within the 'div.header', 'div.body', or 'div.content' tags to be able to nest them. As mentioned, the 'div' tag can be styled differently by using the 'id' and 'class' attributes to easily identify a particular part of the document. In addition to using 'id' and 'class' attributes, the tags can be targeted with CSS. This can be helpful for hiding sections of a page that can't be viewed, including the entire body of the page. We also have another tag: the 'section' tag. The 'section' tag can be used to create a new section

In the world of toys, Disney characters tend to have rather neat and tidy fictional histories. Disney, always eager to embrace the finer things, have had their own membership card system since the 1960s, with photos of every Disney character in a set of customised wallets. Most of these wallets have now been retired, but those who didn't want to keep their whole set of cards probably kept a few, and one of those cards has been given a rather neat twist. The Star Wars: The Force Awakens coin is the swansong of those toy wallets, having replaced the original idea of a small plastic wallet. It was designed by Simon Gomer and Steve Caniff and the coin has been made as a tribute to the property that gave birth to it. The coin is a limited edition, set at just 500 and fitted with a Disney And Star Wars Embossed Walt Disney Ltd. Monopoly License Certificate. The reverse side of the coin carries a depiction 3e33713323
